Rust &  
Horticultural Fungus  
Mildews & Molds  
Concentrate

Contains No  
Sulphur

**USDA / NOP  
CERTIFIED  
ORGANIC**  
by Oregon Tilth  
One Gallon

## All-natural & Bio-degradable

**Contents:** Soap made with Organic Coconut Oil 63.76%, Organic Soy Oil 19.22 % Organic Rosemary Oil .80 Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%.

**Active Ingredients:** Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Certified Organic Rosemary oil .10%.

**Inert Ingredients:** Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

**For Best Results:** Spray at Dusk. This lengthens drying time and treatment. Thoroughly water plants in AM. At dusk, spray a fine even mist on stems and leaves, top and bottom. Please do not over spray. Please test! Dilution may be required in 90 plus degree heat to avoid leaf burn. Application during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should hurt the plant. Please test seedlings first. Used weekly, Fungus Pharm will prevent and control Powdery Mildew and other fungal disease.

**Controls:** Black Spot, Rust, Horticultural Fungus, Mildews and Molds.

**Use Freely Until Harvest  
Patent Pending**

Your pure and natural answer to Garden Fungus. Designed with your family and the environment in mind, all ingredients are either pure, certified organic or pharmaceutical grade, for your safety.

 **FOR ORGANIC PRODUCTION**  
This product contains no alcohol or anti-microbials.

Certified Organic essential oils control insects. Food oils smother mites and prevent fungal spores from traveling. Used weekly Fungus Pharm will prevent and control Black Spot, Rust, Horticultural Fungus, Mites, Molds and more...
