& Rose Pests  
Concentrate

Insecticide, Miticide  
& Fungicide  
**USDA / NOP  
CERTIFIED  
ORGANIC**  
by Oregon Tilth  
One Gallon

## All-natural & Bio-degradable

**Contents:** Soap made with Organic Coconut Oil 63.76%, Organic Soy Oil 19.22%, Organic Peppermint Oil .80%, Organic Rosemary Oil .80%, Sodium Bicarbonate 2.21%, Potassium Chloride 2.21%

**Active Ingredients:** Diluted to eight parts water, one part product. Certified Organic Soybean Oil 3.0%, Certified Organic Rosemary Oil, .10% Certified Organic Peppermint Oil .10%.

**Inert Ingredients:** Fatty acids, coco potassium salts, certified organic coconut oil, sodium bicarbonate, potassium chloride (from a mined source) and water.

**For Best Results: Spray at Dusk!** This lengthens drying time and treatment. Thoroughly water plants in AM. At dusk spray a fine mist on stems, leaves top and bottom. Please do not over spray. Please test! Avoid spraying in 90 plus degree heat to avoid leaf burn. Application during mid-day or high temperatures may cause leaf burn or leaf fall, neither of which should harm the plant. Please test seedlings and ornamentals.

**Controls:** Mealybugs, Ants, Thrips, Aphids, Spider Mites, Whiteflies, Scale, Leafhoppers, Earwigs, Horticultural Fungus and more. Repeat at first sign of infestation.

Use our **Garlic Pharm™** between applications to repel insects.

**Use Freely Until Harvest  
Patent Pending**

Your pure and natural  
answer to Garden Pests.  
Designed with your family  
and the environment in  
mind, all ingredients are  
pure and natural, food or  
pharmaceutical grade.
